

# Shady Grove

*To play in D minor, change Am to Dm and G to C*

**Am**                    **G**  
Shady grove my little love

**Am**  
Shady grove I say

**Am**                    **G**  
Shady grove my little love

**Am**            **G**    **Am**  
I'm bound to go away

Wish I was in shady grove  
Sitting in a rocking chair  
And if those blues would bother me  
I'd rock away from there

I Wish I had a banjo string  
Made of golden twine  
And every tune I'd play on it  
I'd Wish that girl was mine

When I was in shady grove  
Heard them pretty birds sing  
The next time I go to shady grove  
Take along a diamond ring
